## Kia ora Parents, Whanau, and Caregivers,

Wow! It is hard to believe that we are in the last week of Term 3. We have had steady roll growth this term with many new faces in the school embracing our Welcome Bay Learner and the Welcome Bay Way.

I have really enjoyed the term as Acting Principal and thank everyone for your support while Mr House has been away. We are all looking forward to seeing him again in term 4.

As the holidays approach we hope you have a fantastic time with your family and stay safe over the holidays. Hopefully the weather will be kind to our tamariki so that they can get outside in the fresh air and enjoy our beautiful environment.

### Celebration Assembly

We look forward sharing in our tamariki's successes for term 3 this Friday at Assembly. All children who receive one of the Welcome Bay Learner certificates are invited back for morning tea with their parents in the staffroom. This is a time that we recognise our tamariki that are showing the key attributes of our Welcome Bay Learner for term 3.

Karearea	Kea	Kereru	Matuku Moana	Toroa
The bird of the sky	The bird of the mountains	The bird of the forest	The bird of the rivers and estuaries	The bird of the ocean
Attribute	Attribute	Attribute	Attribute	Attribute
Kia Kaha =	Tuku patai =	Kia manawanui =	Kia maia =	Whaia te pai tawhiti =
Show Courage	Ask Questions	Have a Heart	Stand Proud	Seek Adventure

### Sports Activity Co-ordinator

Due to Mrs House leaving WBS, the Sports Activity Co-ordinator position she currently holds has become available. If you are highly organised, have great people skills, strong administrative skills, is passionate about physical activity and children's development and involvement in sport, then this could be the job for you. or visit Cherie in the school office for an application pack or email [office@welcomebayschool.nz](mailto:office@welcomebayschool.nz).

### Discovery Trip - Hub 4

This week Hub 4 went to Mount Maunganui to take part in coastal care by weeding and planting new plants to help protect our sand dunes.

## COMPUTER/MOBILE CODING

**WHO**

Welcome Bay School students in years 4 to 6.

**WHAT**

Fun and interactive high level coding course learning how to create program technology.

**WHEN & WHERE**

Term 4  
Rata Room  
Thursdays 1.00 PM (lunchtime)

**THE WAY TO SUCCESS**

Our classes will help develop your child's brain by teaching them advanced coding skills like how to make a computer/mobile/tablet website or application. We also include robots! Children have an amazing capacity for learning and introducing them to technology coding while they're young will help set them up for success in our increasingly digital world. Your kid will learn to not only passively consume technology, but to create technology so that they can be an active part of the digital era.

**APPLY NOW**

To give your child the opportunity to learn how to program technology apply now at [codingnz.com/signup](http://codingnz.com/signup)
