Newsletter #32
School Roll
330

Kia ora Parents, Whanau, and Caregivers,

What a stunning weekend of weather and the extra day was just fantastic. We hope you and your family all had a wonderful weekend, and whether you went away or stayed in beautiful Bay of Plenty, kept safe and found some time to recharge the batteries!

Senior Athletics

Tomorrow is our senior athletics day **starting from 9am**. This is a chance for our tamariki to challenge themselves and each other in a range of disciplines on the athletics field. The children have been training and are ready for what is always a great day of giving your own personal best in each event. For some it will be about trying to be the best in their peer group and progressing to South Cluster, and for others it will be about giving something new a go, or trying to beat their best result in practices. Either way, we wish our children every success, and we extend a very warm welcome to friends and whanau to support the children.

Remember that all children will be outdoors for the majority of the day. Just incase we have a stunning day (fingers crossed) please make sure that your child has a **hat, a really good lunch, and plenty of water, and some sunblock** as it is a very active day.

It is also a chance to get House points so kids can **dress up in their House colours** to build their House pride and encourage each other.

You are also invited to come along and cheer on your children so let the Grandparents know too and come and enjoy the day.

This weeks assembly...

Unfortunately, we are still having some significant repair work on our hall tiered seating. The hope is that they should be completed over the next week but due to the repairs we will not be having a whole school assembly on Friday.

Instead we will have a:

combined Hub 1 and 2 assembly in Hub 2 and...
combined Hub 3 and 4 assembly in Hub 4

These will happen at the normal assembly time and you are very welcome to come along and sit in as would normally be the case.

School Hats

Remember, that in term one and term four we **expect all children to have a school hat** to wear during break times. This must be a **navy wide brimmed hat** and our school hats are sold at NZ Uniforms on Cameron Rd. This will be monitored during the term and children without hats will be expected to play in the shaded areas.

POOL KEY meeting

The Board have decided to continue offering pool keys again for the summer of 2018/2019 for our community to utilise our school pool. We will be having a community meeting on **Wednesday 14h November at 5.00pm** in the staffroom. If you would like a key you **must be at this meeting**, there will be no keys issued if you're not present.

We will also be clearly defining expectations for use of the pool as we do every year. We want your school pool (recently upgraded) to be a valuable resource for our entire community to utilise and want the experience to be positive for everyone. Last summer was awesome and we want to see this continue.

If you are new to the community, or have had a key before, we have had a small change to the pricing. The cost for being able to access the pool for the season and holding a key is \$70, including a \$20 refundable bond.

KICK Start: Transition to school programme

This programme is for both new parents and children starting at Welcome Bay School and runs for approximately seven weeks during the term.

NEXT SESSION: Monday 29th Oct, 2018 @ 1:45pm

FOCUS: Intro to Welcome Bay School

If you are interested in attending please call the school office on 544 1113 and let us know you will be along so we can plan for numbers. Also, if you know someone who intends on enrolling at Welcome Bay School but does not get the newsletter please let them know, too. We look forward to seeing you!

25 OCT

Please join us for our next
PTA MEETING

this Thursday, 6pm
in the school staff room
(use staff entrance via carpark).

*You do not need to be a member to attend,
new parents are welcome.*

Can't make it?

If you are unable to attend but would like
more information or to stay involved,
please contact us on
welcomebaypta@gmail.com

ON SALE

THURSDAY 25 OCTOBER
Senior Athletics Day
Juicie Tubes \$2
(lemonade)

Available for the whole school and need to be pre-ordered online OR outside the office in the morning. Will be delivered to classes at lunchtime.

Reminder - Whanau Hui Today

All parents of Junior and Senior Kapa haka children are invited to attend a hui being held today from 3.30 - 4.15pm in our school staffroom. This is an important hui and we hope all whanau can attend so we can share information about two upcoming events in term 4 - He Paku Whakangahau (mini Ra Whakangahau) and the Noho Marae Trip.

HIGH FLYERS FOR THE WEEK

First Flight - New Entrants & Year 1

First Flight Mrs McKinlay, Mrs Bishop, Mrs Kendrick & Ms Bain	Meera Sahil	It's wonderful to see your interest in science. We appreciated you bringing in your bone book this week as well as a skeleton. It stimulated a lot of discussion about how many bones we have in our body, particularly our fingers. Ka pai.
	Infamous Moss	Wow! You have the writing bug. You are writing before school at lunchtime and you are writing at home! Keep up the great attitude.
	Phame Smallman	You created a really interesting story using some super cool descriptive words. Well done and keep it up.
Toetoe Mrs Absalom	Rihari Rameka	I have noticed your Kereru traits shining through in the way that you help others and keep our room clean and tidy. I love your enthusiasm towards school and learning. Keep up the great work.

Take Flight - Year 2 & 3

Take Flight Ms Daniels, Mrs Anthony, Mrs Honeyfield & Whaea Inez	George Tanoa	It's fantastic to see your focussed and passionate enthusiasm for writing. The way you are zipping off to get started is fabulous. Kia kaha George!
	Magee Lea	We love how you've settled back into life in Take Flight with a positive attitude and fabulous focus. During our athletics training the way you first try your hardest and then encourage others to be the best they can is simply inspiring. Kia manawanui Magee!
	Elsie Albutt	You use all your senses to make careful observations in science. Then you draw on these to explain how you think things like the magnets or our lungs work. Truly a future scientist in the making!

Flight Path - Years 3 & 4

Flight Path Miss McGovern, Miss Christian & Mrs Mellor	Karn Houston	You should be super proud of how well you manage yourself. Even though there have been changes this week you have remained focused and ignored distractions around you like a true Matuku Moana.
	Ryan McBrydie	We love your focused and positive attitude, even with the changes we have had this week. You have produced a fantastic piece of personification poetry, your stand out line was 'The red watering can spat on the green plants'.
	Braxton Te Whetu	We are thrilled with the calm and settled term you have had in Hub 3. You can leave WBS knowing that you have the resilience and self management skills to make a smooth transition to your new kura. We wish you all the best as you embark on your new adventures!

Flight Deck - Years 5 & 6

Flight Deck Miss Fly, Mr Buller & Mrs Barker	Jakub Watson-Crooks	This week we have noticed the Kea within you! You have been promoting and leading class discussions, reflecting on your learning and been proactive about furthering your learning. Ka mau te wehi.
	Jackson Day-Fallon	After having 2 weeks away from school soaring with your wings you have landed back into flight deck this term with great focus and enthusiasm to learn. You are always willing to share your work with your peers, you are the true definition of what it means to be a Kereru. Ka Pai.
	Ryan Braaksma-Tutuki	This week you have been a true whaea the pai tawhiti. Giving 100% throughout high jump and pangarau! Ka pai Ryan
