Welcome Bay School

Ma te huruhuru, ka rere te manu Adorn the bird with feathers so that it can fly

Kia ora Parents, Whanau, and Caregivers,

The term is absolutely flying by and here we are in week 6 with only 4 weeks of the term remaining before we head into the long term break and enjoy a stunning summer. We have a lot of events and activities ahead over the next 4 weeks as we wrap up the year.

Last week we held our Noho in preparation for this years Kapa haka festival "He Paku Whakangahau", which this year replaces the Ra Whakangahau as there was not a host school. A big thanks to Tauranga Primary for taking on a Peninsula version of this so that our tamariki have the chance to perform in front of whanau and friends, and a large audience. We would also like to send a massive thanks to Whaea Mem, Miss McGovern and Miss Barker for their hard work in preparing our tamariki for this performance.

This Friday our tamariki will be spending the day at He Paku Whakangahau which will be held at **QE2 in Memorial Park** all day. Children attending have been sent all the information needed but if you have any further queries please don't hesitate to contact us if you are uncertain of anything at all.

No School Assembly this week...

Due to so many children being out this Friday with the Kapa haka festival, we will not be having a school assembly.

Junior Athletics

Last Thursday was a stunning day, which presented an outstanding opportunity for our junior school athletics event to take place. We would like to send out a huge thanks to everyone who turned up to support our juniors and cheer them on as they tried their hardest to refine the skills that they have been practicing all term on the athletics field.

Time for a home Book Hunt...

During the year, across the school, many of our books go home for daily reading as a way to support our children in continuing to grow their ability in reading. We invest thousands every year in reading resources, and as our school is growing we require more all of the time. However, we also know that some resources that get sent home to help our children are not being returned and we simply need these back so that they can be used to support other children.

Over the next few weeks, please have a good look around the house for any books that belong to school and send them back with your child so we can add them back into the system. We really appreciate your support in taking the time to look under beds and couches for us :)

KICK Start: Transition to school programme

This programme is for both new parents and children starting at Welcome Bay School and runs for approximately seven weeks during the term.

NEXT SESSION: Monday 26th Nov, 2018 @ 1:45pm

FOCUS: WBS Behaviour management

If you are interested in attending please call the school office on 544 1113 and let us know you will be along so we can plan for numbers. Also, if you know someone who intends on enrolling at Welcome Bay School but does not get the newsletter please let them know, too. We look forward to seeing you!
